Peter V Brett	The Great Bazaar & Brayan's Gold [Demon Cycle]	Hb	\$22.99	\$17.99	Two exciting short stories set in the engrossing world of The Demon Cycle. Humanity has been brought to the brink of extinction. Each night, the world is overrun by demons - bloodthirsty creatures of nightmare that have been hunting and killing humanity for over 300 years. A scant few hamlets and half-starved city-states are all that remain of a once proud civilization, and it is only by hiding behind wards, ancient symbols with the power to repel the demons, that they survive. A handful of Messengers brave the night to keep the lines of communication open between the increasingly isolated populace. But there was a time when the demons were not so bold. A time when wards did more than hold the demons at bay. They allowed man to fight back, and to win. Messenger Arlen Bales will search anywhere to return this magic to the world. Abban, a merchant in the Great Bazaar of Krasia, purports to sell everything a man's heart could desire, including, perhaps, the key to Arlen's quest...

But after losing the reward his heroics earned him, Han's got nothing to celebrate. Especially since he's deep in debt to the ruthless crime lord Jabba the Hutt. The only thing that can save him is a king's ransom. Or maybe a gangster's fortune? That's what a mysterious stranger is offering in exchange for Han's help. The payoff will be more than enough. All he has to do is infiltrate the ultra-fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy's most notoriously impregnable safe. So Han assembles a gallery of rogues, including his sidekick Chewbacca and the cunning Lando Calrissian. If anyone can pull off the heist of the century - it's Solo's scoundrels. But will their crime really pay, or will it cost them the ultimate price?
